ADOPT
WITHOUT
DEBT

Help families see that they CAN afford adoption without going into debt.

Bring encouragement and inspiration to adoptive families in your area.

In 2000, Julie and her husband, Mark, declared war on their debt – credit cards, student loans, cars and the house. Seven years later, as they wrote the check for their last mortgage payment, God called them to adopt two children from Ethiopia. A few months later, with their income unexpectedly cut by two-thirds, they wondered if they could finish the adoption without crossing back over into the red.

When they brought Wendemagegn and Beza home 12 months later, Julie and her husband proved debt-free adoption is possible!

Passionate about helping others achieve their adoption dream, Julie wrote "Adopt Without Debt: Creative Ways to Cover the Cost of Adoption." The book became an Amazon bestseller and was featured on The Dave Ramsey show.

To encourage other adoptive families, Julie developed the Adopt Without Debt Workshop. This 2 - 2.5 hour seminar teaches families how to trim the fat from their household budget, apply for grants and how to creatively fundraising for their adoption.

Perfect for church orphan ministries, adoption agencies and non-profits, the Adopt Without Debt workshop will encourage and inspire the attendees.

"We were thrilled to have Julie. She has so much wisdom and insight to offer families considering the adoption process and those in the middle of it. We were overwhelmed by the attendance and thrilled to hear from our families how Julie's presentation encouraged them and inspired them to use her methods in their own adoption stories. We are ready to book her for another event next year!" - Kate Anderson, [Lifeline Children's Services](#)
